Prayer is the most important conversation of your day.

Take it to God before you take it to anyone else.

God speaks to those who take time to listen and he listens to those who take time to pray.

When you pray, your prayers are heard by the same God who answered Moses' prayer for water in the desert, the God who gave Abraham and his barren wife a son, and the God Who made the slave, Joseph second in power only to Pharaoh.

The God we serve is bigger than the problems we encounter.

A day feels incomplete without a
THANK YOU LORD
at the end.
